

Environmental Policy

Established: April 1, 2007

Revised: April 1, 2020

The Daiei Kankyo Group strives to be a better partner to human, industry, and nature. Guided by the following policies, all members of the Group will cooperate to contribute to society.

Trust: Adherence to compliance and voluntary, proactive information disclosure

Environment: Reduction of environmental impact and greenhouse gas emissions, and creation of new value

Education: Cultivating environmentally conscious personnel through education and training

Peace of Mind: Providing tranquility through flower and greenery safari park activities

Fumio Kaneko
