

What we value in order to be an essential part of people's lives and society

Daiei Kankyo Group's founding principles

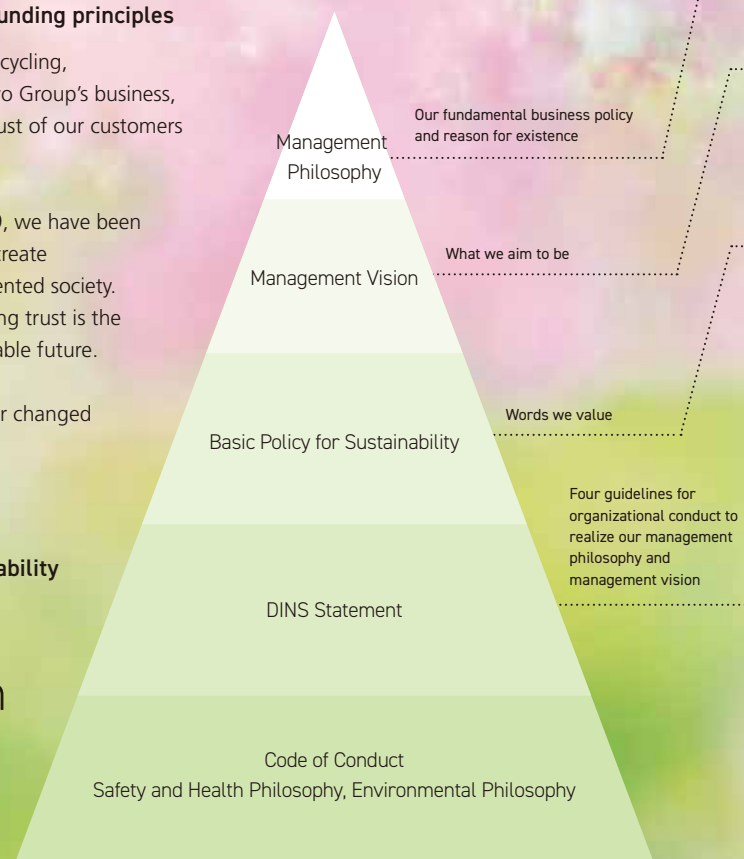

Waste management and recycling, the core of the Daiei Kankyo Group's business, cannot exist without the trust of our customers and local communities.

Since our founding in 1979, we have been diligently working to help create a sustainable, recycling-oriented society. For us, the building of lasting trust is the starting point for a sustainable future.

This belief of ours has never changed and never will.

Basic Policy for Sustainability

The Future Comes from Trust.

Management Philosophy

With our strong commitment to creation, innovation, and meeting challenges, we shall contribute to society while striving for the coexistence of human life, industry, and nature.

Management Vision

Enhancing business continuity and evolving as a company with the power to create better environments.

The Daiei Kankyo Group will continue to challenge itself to innovate and create new value with the aim of creating better environments for a sustainable and bright future.

Basic Policy for Sustainability

The Future Comes from Trust.

DINS Statement

Development

In order to continue to be a social infrastructure company that supports the future, we shall not be bound by conventional approaches. Rather, we shall take on challenges with enthusiasm and continually evolve without fear of change or failure.

Integrity

In order to continue to be a company trusted and needed by society, we shall always respond to the expectations of society and changes in the environment, comply with laws, regulations, social norms, and company rules, respect human rights and local communities, and act with integrity based on high ethical standards.

Nature

Our lives depend on various blessings from nature. We shall help resolve environmental issues through our business activities, actively engage in forest and environmental conservation activities and efforts to reduce our environmental impact, and work toward the realization of a society in harmony with nature, one that can enjoy nature's bounty for years to come.

Social contribution

As a member of the local community, we shall contribute to regional growth and development through our business activities, and shall strive to conduct corporate activities in harmony with society as a whole.
